Challenge Prompt

Want to join the party of GIFs, memes and emoji shenanigans? Or just want to ask a question for technical support regarding any challenges in the CTF? Be sure to join the Huntress CTF Discord server.

This CTF uses [support tickets](#) within Discord to help handle requests.

If you need assistance, please create a ticket with the `#ctf-open-ticket` channel. You do not need to direct message any CTF organizers or facilitators, they will just tell you to open a ticket. You might find a flag in the ticket channel, though!
